The customary hectic spring & summer period was amplified by the celebration of the club's 50th anniversary and the success of club teams at BRC Area qualifying competitions. A resourceful sub-committee organised a riding demonstration depicting many of the club activities followed by a barbeque & barn dance – a fitting way to celebrate 50 years of BVRC life.

Seven teams and several individuals represented BVRC at the five BRC Championships between April and September. The pinnacle was the achievement of the Horse Trials 80cm team who were crowned BRC Champions.

Full details of team activities, highs & lows will follow in another edition.

Meanwhile other activities proceeded as normal. A diverse range of competitions were held to suite all tastes.

Read on for an insight into club activities.

The next Newsletter with a schedule of autumn activities will follow shortly.

British Riding Club Novice Winter Championships, Keysoe 9th April 2016, Dressage and Show Jumping – Sandra Groves

What do golf balls and peas have to do with horses? All will be revealed.....

Bourne Valley Dressage and Show Jumping teams qualified for the Novice Winter Championships at Keysoe. A new venue for the Championships, it was one none of us had been to before. And it is a number of years since we qualified for the show jumping, having been successful for the past few in the dressage including having Individual National Winter Dressage Champions for the past two years.

Show jumping isn't my favourite discipline but at camp a couple of years ago Timmy and I progressed and I had more confidence. However, only jumping a couple of times a year isn't great practice and this was evident at the Novice Indoor Show Jumping qualifier. I didn't enjoy the experience one bit and came out after the second round vowing never to jump again! Timmy was chipping in a short stride and making the jump feel awful. Our team finished second and we thought only the first placed team qualified. A week later we'd been invited to the championships. Gulp! I decided I'd go for it, make a plan and practice, practice, practice. 6 weeks to go.

Prior to the qualifier I'd started the Sports Psychology sessions with Liz Morrison in an attempt to try and gain some self belief and help with my nerves. At the final session (shortly after we found out we were off to Keysoe) Liz worked with me through the process of thinking how to get from the phrase 'I'm not very good at show jumping' to 'I'm brilliant at show jumping'. One of the main stumbling points for me is not getting a good show jumping canter. Liz also confirmed that a plan was needed.

So the plan was to fit in as many lessons as I could, to stick with one instructor and do some competitions. Fen Hargreaves at Norton Livery was recommended and Susie and Lindsay offered transport. The lessons, six in all, were geared brilliantly and in the first one, we managed to achieve a great canter. With that canter in my head, we did the club show jumping at Tidworth and I was brimming with confidence and Timmy loved it. A few more lessons, then we took part in the Area Combined Training qualifier, Timmy was a bit looky and we had a refusal! Not great for the team result but a lesson learnt for me. We wanted to try and make things as scary as possible filler and jump wise to get Timmy used to things and me mentally sound, as at championship we knew the fences would be up to height and spread. There would also be a treble in the course – something new for us. In my last lesson with Fen in the week of the champs, she upped the anti with the jumps and I did have a crisis of confidence. However, we finished on a good note. Susie had been transporting Timmy and bringing her own horse Dubai along too. In my last lesson, she and Fen wore headsets so Susie could listen exactly to what Fen was saying to me and therefore help me warm up at Keysoe. I felt as prepared as I could be.

As well as the show jumping team qualification, the dressage team also qualified and sadly Alison Coleman and Wilba were unable to go and the place was offered to me. We were going to have a busy day! Lynn Mead was in the dressage team too and gave us a lift to Keysoe. We travelled the day before as the show jumping was going to start really early and we'd need to walk the course the night before. My anxiety levels were getting high. At area, the heights for the two rounds were 80cm and 85cm. I'd checked the championship heights in the rule book which stated 80cm maximum in the first round and the second round may go up at the judge's discretion. However, on walking the first round it looked like several of the jumps were over 80cm and the spreads looked huge to me too! There were 12 fences including a double and a treble so the

longest course we've done. I asked Lynn there and then if we could go home! We discussed how I'd ride the course and I calmed down enough to get some sleep that night.

My dressage was at 8.37am and show jumping at 10.54am and 3.44pm. Well spread out but giving loads of worry time. There was a helpful arena walk for the dressage at 7.30am which was interesting as I was only allowed to walk on the right rein around my arena! I thought Timmy tried hard in the dressage and the judge commented that we presented the test well. We scored 65.8%, fair for what we did, however, at championship the standard is very high so we weren't challenging the leaders.

I only plait on special occasions. Being a cob, Timmy's mane is very thick in the middle and was almost non-existent three quarters down having been rubbed by his rug. Susie was impressed I had actually plaited at all but I exclaimed that they were the size of golf balls and peas! This made us both roar with laughter and that was an expression we used during the day to make me laugh, smile, relax and worry less. The other was that we also had royalty in our team – Frances Hall. She was chatting to someone at a recent event saying she had a Highland Pony. 'Oh, like the Queen' the other person said. With that, Frances' Corgi walked round from the back of her car!!

The show jumping course wasn't producing many clears and Frances and Snoopy had two down and Michelle Raymond one. I was next in the team to go and Susie did a brilliant job warming me up, telling me what to do and giving me confidence (golf balls, peas and royalty). My other instruction from Lindsay was to 'go in there like you mean business!' This we did and to my delight, Timmy didn't make anything of the fences and didn't really look at the fillers but I was determined and positive. Unfortunately, we had the first part of the double down but I was over the moon. Fay Chivers rode last in the team and although her mare was a bit green, she rode with more determination than me to have just one fence down. Initially she wasn't sure if her horse would go near the gallery and as she came through the finish towards it, everyone clapped and the mare stopped dead but at least she'd gone through the timing equipment!

I had ages between my two show jumping rounds so Timmy had some lunch and a lie down (literally - getting shavings in his plaits). Lynn rode her dressage test and although Sunny coped well with the arena (he's a little spooky), there was some tension at times and she scored plus 64%. Considering it was his first time staying away Lynn was really pleased with how he coped. Fen Hargreaves and Ruth Allen were also in the dressage team. There was some doubt earlier in the week if Fen's horse would make it to the event. Watching Fen's test there didn't seem to be much wrong, however, she wasn't the judge's favourite that day. It was terribly disappointing for her as she won her arena at the qualifier. Ruth's horse Flo was another that didn't catch the judge's eye. So sadly our dressage team was well down the order.

The jumps went up for the second round and bearing in mind that some were already over height some were now looking closer to 90cm – higher in a course than we've jumped before. Strangely, the course was the same except the first two fences were now the last two. Odd as I'd fully expected a vastly different track. I was able to watch to watch Frances and Snoopy who flew round but rolled three poles. I didn't see her round but Michelle sadly had a sat nav error and missed a fence.

Fen and Susie warmed me up for this round and with encouragement again (golf balls and peas), we went in like we meant it and rode a smooth positive round. There were two sets of planks and sadly we had them both down but overall it felt like a great round. There were smiles all round, big hugs and pats and even a couple of tears from Fen which was so touching.

Fay rode her second round with the same determination and professionalism and was so unlucky to roll a pole in the middle of the treble. Our team finished on 40 faults so although we were well out of contention it was a great experience. Looking at the results, the team in first place had 4 faults and the tenth placed team had 16 faults. Michelle and Fay were called into the team to replace Fiona Scott and Karen Duggleby who couldn't make it to the championships. Thank you to them for stepping in. It seems that Riding Clubs don't really know the definition of 'maximum' – a fact that was pointed out on the day, sadly to no avail.

When top riders do well they say they have a great team behind them and that isn't really any different at our level. Without support from my 'team' I wouldn't have made it to these show jumping championships. Lindsay is always there as a friend, trainer, mentor, my eyes on the ground and ferries us all over the place. Susie has been great taking me to lessons and thinking about how best she can help. Fen was encouraging, thought about what we needed to do in our lessons and had a plan and Lynn was so helpful taking us and being there to talk to after walking the first course.

BVRC Residential Camp – Stockland Lovell 25th-28th April 2016

My First Year at Camp by Jo Williamson

WOW what a place Stockland Lovell is, were my first impressions!

We arrived to find a light and airy large American style barn for the horses, who settled into their new environment very quickly helped by a thick bed and unlimited hay. We then went off to explore what was to be our home for the next 4 days. We also found 2 large outdoor schools, one already made up with a SJ course and the other clear ready for our flatwork lessons.

Up and over the hill you could see 2 cross country schooling fields and parts of a XC course sweeping round and the views were just amazing, you could see right out to the coast on one side and the Quantocks on the other.

However there was no time to loiter as we were booked to have our first lesson which was grid work with Nic our instructor.

There were 22 members at camp this year I was told and 25 horses so a really good attendance. Everyone arrived throughout the afternoon and we all met up for the first time together early evening prior to supper which gave us all the opportunity to introduce ourselves and our horses/ponies.

The camp was organised well, there was an easy to follow programme of events which outlined where you were to be and when, the group you were with and the instructor, so there was no confusion!

The camp was 4 days and 3 nights with 6 opportunities to have instruction in dressage, SJ and XC however if you didn't want to take advantage of the all instruction on offer there were 4 well signposted hacks across wonderful farmland that you could do instead.

Although this is the 2nd year I have been a member of BVRC I had not attended many events. The camp gave me a great opportunity to ready myself and Splat for the new competition year but also gave me an opportunity to meet a new group of like minded people sharing some great instruction, hearty food and a few glasses of wine!

Where do I sign up for next year???

BVRC 50th Anniversary Party

On 25th June over 90 members of the Bourne Valley Riding Club celebrated the 50th anniversary of the clubs inauguration at Norton Livery/Lower Norton Farm, Norton.

The event started with club members displaying various equestrian skills. Sarah Simmonds & Susie Pool completed various Le Trec tasks with their horses, from a 'natural horsemanship' training perspective. Gemma Merritt, Tricia Badham and her grand-daughter Chloe rode side-saddle in traditional dress. Sam Albert, Jamaica's Olympic 3-day event rider, took 4 riders through the approach she uses to train horses over various obstacles. This culminated in two of the more experienced horses jumping a vertical barrel in the middle of the arena.

The demonstrations concluded with some fun in a "Chase-Me-Charlie" competition, with 4 riders jumping the same jump, which increased in height after each round until only 1 rider was left. The audience bet on who they didn't want to win! Alice Hobhouse, on X, won the bets in her bucket, while the total of the other bets were donated to the Wiltshire and Hampshire, Isle of Wight Air Ambulances.

The audience then enjoyed welcome drinks in the garden of farm owners, Tom & Alison Coleman, who kindly donated their premises for the evening, Straw bales, balloons and bunting created a party atmosphere in the barn. A delicious gourmet barbeque was served by Emma Harrison's Complete Catering Company. Emma's father, Barry Foord, was one of the founding members of the club, back in 1966.

After the cutting of the cake, by long-standing BVRC Chairman Lindsay Hills, members enjoyed dancing to the Black Bear Band, with caller Ian Y ensuring everyone knew their moves.

Fiona Webb

BVRC Spring Dressage Tidworth EC – Sunday 3rd April 2016

Due to the risk of strangles in the area, we had to find a new venue at short notice. Thankfully, the newly extended outdoor arena at Tidworth EC was available and it was offered at a seemingly affordable price. The entries were low so that the fact that we now only had room for one dressage arena was not a problem. However, it's amazing how much extra room is needed beyond the 20x40m. The corners of this polo arena are squared off so we couldn't have put the arena against the boards even if we wanted to. By the time you have left space to get round the outside, to accommodate the cut-off corners, have space to enter the arena and leave room for the judge's car, it doesn't leave much for warming up. Luckily there were no hysterical horses and no crashes in the warm-up. We were able to save on some expenses as we only needed 2 judges for the number of entries and we also cancelled the professional first aider, electing to use a Club member who is first aid qualified. Nonetheless, due to a slight miscalculation on my part, we made a small loss, exacerbated by someone phoning for a late entry, then not turning up and hence not paying an entry fee. However, it was worth giving out the prize money to some lower placings to see the sheer delight on the recipient's face. A big thank you to all the helpers who volunteered without the need for scores of phone calls; it made the whole thing easy to organise.

Susie Pool

BVRC Novice Show Saturday 16th April, 2016 from 1pm, Ampport Riding Centre

Our first Novice show of the year had an exceptional amount of entries. The day ran reasonably smoothly, with the only issue being a few lorries and trailers getting stuck in the soft ground in the parking area.

As always, there was a very relaxed atmosphere which everyone seems to enjoy. Many riders, some attending their first competition, went home with happy faces having gained a place and rosette, some with their novice horses.

A big thank you to all those that gave up their time to help run the show, with setting up in the morning, which was completed in record time due to plenty of help, and the rest of the day, right down to clearing away and towing trailers back to their storage.

There will be another opportunity to ride at our next Novice show in September at the same venue.

BVRC Unaffiliated Horse Trials at Larkhill on Sunday 22nd May 2016

I have learnt over the years to always expect the unexpected. Organisation of the Horse Trials was a proving point. A call 10 days prior to the event revealed that we would be unable to use Knighton Down. Even though we had booked the area, an impending visit by the Queen to mark to 300th Anniversary of the Royal Artillery, meant that the area had been commandeered, and an array of tents were being erected. As this is where we normally positioned the Dressage, Show Jumping, main Secretarial and parking we had to have a major re-think.

For the dressage, were offered an area inside the point-to-point course, usually occupied by cattle. I was assured that it would be mown & there was ample space for 4 dressage arenas and warm up. It came down to Hobson's choice, there or nowhere. Relocation of Show Jumping and parking was less of an issue as we were able to use the area around Queen's building.

Entries flooded in early, but not quite matching the numbers we desired. A flurry of last minute requests, boosted entries to last year's level. This is always an organiser's nightmare. It would be lovely to be in a position to turn away late entries.

Helpers on this occasion were readily available and dare I say it – we had a surplus of fence judges – this must be a first!!!!

Thanks to a multitude of helpers, we set up everything on Saturday, looking forward to the next day's competition.

Susie, as secretary, enjoyed the new vista, viewing dressage, show jumping and cross country, when time allowed.

I hadn't given the Queen's visit another thought until an early call from a dressage judge revealed that the access road was completely blocked by tracked vehicles and tanks lining up for a practice session. The queue cleared only to reform a couple of hours later, delaying several competitors. Later in the day there was an alarmed call from the dressage section enquiring whether the row of tanks with raised guns, were about to fire. Kings Troop horse exercise also caused some mayhem with their escapees. It made the dressage a bit exciting.

Good job it only happens every 300 years!

Otherwise, we had a lovely day, everything ticked along nicely. I love it when a plan comes together.

Many many thank yous – Susie (secretary), Sandra (scoring), Fiona (dressage), Helen N-S (show jumping), Ella (fj) & Fiona (catering), XC start team and everyone who helped make the day a success.

The event is BVRC's major revenue earner for the year, and enables us to support teams, subscribe to RA Hunt and subsidise & run other events. Thank you if you have contributed to the day – we couldn't do it without you.

BVRC Dressage, Combined Training & Show Jumping 12th June 2016

This year's combined training was held at a new venue, Redenham Park, which proved to be very successful. The field offered good access off of the main road, as well as being reasonable flat and with plenty of room to set out the jumping and dressage arenas in reasonably close proximity making it easier for our group of helpers to collect scores, relay dressage scores to the jumping commentary etc. Although upon reflection the secretary's tent/scorer's tent could have been a bit closer to the dressage, legs got a bit tired come the end of the day.

There was a good number of pre entries with some entering jumping on the day along with the clear round.

The day ran smoothly with many competitors going home with more than one rosette.

Even the rain held off for most of the day, with only a couple of heavy downpours. Well done to those that were in the middle of their dressage tests at the time.

Once again a big thank you to those that offered their time to help, some of whom were not members, as well as the shepherd Robin Cason who very kindly topped the whole of the field for us.

Ros Kershaw

Members News

Di Symes

Di lost her valiant battle with cancer in April.

As a long standing BVRC member, Di did a stint as a committee member and undertook the role of Team Chef d'Equip for many years. She participated in many club activities from lessons, rides, camp and teams.

Di was one of the few people in the country to attain her Pony Club 'A' test and even more rarely this was at her first attempt. She and her horse were immaculately turned out and she was a wonderfully quiet rider.

Di was always bright and cheerful. It was a privilege and a joy to meet her and to watch her ride.

She is a great loss to all who knew and loved her and will be greatly missed.

XX

Our condolences and thoughts are with members who have recently lost long standing club horses - Lindsay D and Missy, Elizabeth and Bodie and June and Flame.
