For a variety of reasons we have been delayed in organising events this autumn. The November Newsletter brings us up to date with reports on recent events. There are plans afoot for next year and key dates for your diary.

LKH.

BVRC Subscriptions

Our new club year started on 1st November, so annual subscriptions are now due. Rates have been increased slightly to £28, for Riding Members, and remain at £12 for Non Riding Members.

We are offering a discount of £6 to reduce the cost to £22 for riding members, if the subs are paid before 31st December 2011.

We hope to encourage you to renew your subscriptions promptly. The reduced rate of £22 will apply for second and subsequent members of the same household. No discount is applicable for non-riding members, as their rate has not increased for many years. You will need to renew your subscription if you wish to take advantage of the reduced cap when hunting with the RA Hunt. Forms were sent out in October. Contact Sandra if you need another one.

Forthcoming Events

BVRC AGM on Tuesday 6th December, 2011 at the Red Lion, Clanville, Nr Weyhill, 7.30 for 8pm.

This is an opportunity to review the year's events, discuss the future, voice any other news or views and have a chat. So please come along. The meeting will start at 8pm so there is time to get some food and a drink beforehand (**SEE BELOW Pre-AGM Supper**)

It is time for Sandra (Secretary) to stand down after another two year period. Yet again, Sandra has been a mainstay of the club. She is prepared to stand again but won't be upset if someone else wants the job, or if anyone can offer help in lightening her load. Clare Norton also feels unable to continue doing the club accounts.

We are also losing four valued, hard working, committee members this year. Sara Bennett's new London based job doesn't give her time or energy for club duties. Sarah Butler's job has taken her even further afield to Scotland, not an easy commuting distance. Celia Scott and Rebecca Olpin (they come as a pair) have recently become more involved in charity work, leaving little time for family life let alone BVRC tasks. All four have become the foundation of the committee and will be sadly missed. Although I am sure they won't escape completely.

At the AGM we have to elect a Secretary, Treasurer and four new committee members. If you have any nominations for the vacant posts or you wish to fill any of the positions yourself, then each nominee will need to be proposed and seconded. Any nominations should be received by the 3rd December and given to Lindsay Hills, The Ridings, Dauntsey Lane, Weyhill, Nr Andover, Hants SP11 8EB Tel: 01264 772388 or email: nag@bvrc.co.uk.

We have an active hard working committee who work as a team to put on events for the benefit of the members. Committee members work in pairs to organise & take entries for one show a year, and help out at two or three others. We cannot operate without a full committee, so please send in your nominations.

There are several tasks which could be undertaken by non-committee members. If you don't wish to join the committee, but feel able to help out with anything please contact Lindsay or Sandra.

At the AGM there will be a presentation for the Be Fair and Caballine points competition (results to be published shortly). In addition to the Be Fair Cup, Caballine Trophy and Rosebowl, there will be rosettes to tenth place. It was decided that too many committee members took the Caballine rosettes, so only four rosettes will be awarded to committee members, and ten rosettes will be presented to the top ten non-committee members. If your name does appear on the results list please make a big effort to come and receive your rosette, and if not please come to congratulate those who have been successful.

Pre-AGM Supper on Tuesday 6th December, 2011 at the Red Lion at 7.30pm

We hope that you will come and join us for supper prior to the AGM. It will give us the chance to meet you, chat & relax before the business end of the evening. Tea & coffee will be available after the meeting.

There is a choice of chicken casserole with rice and bread roll, beef lasagne with garlic bread and salad garnish or vegetarian lasagne with garlic bread and salad garnish. Other menu choices are available directly from the Red Lion as shown on their website www.theredlion.co.uk, by telephoning 01264 771007 or from the bar. These items will need to be ordered & paid for separately directly from the Red Lion. Drinks will be available from the bar as normal. We will be subsidising the supper, ordered in advance, but ask you to contribute £4 per head (payable on the 6th).

Please fill in & return the attached reply slip or call Sandra 01264 396390 or email: sandra.groves47@ntlworld.com to let her know your choice of food **by Thursday 1st December**.

BRC Area 17 Winter Dressage Team Qualifier at Sparsholt Equestrian Centre on Sunday 8th January 2012

The first Area 17 qualifier in 2012 kicks off **very** early next year and will be held on Sunday 8th January at Sparsholt Equestrian Centre. The Championship, at Hartpury, will be over the same weekend as the Novice Indoor Show Jumping (7th & 8th April). The competition will be for teams of 4 riders, with the best 3 scores to count towards the team total. One team will qualify from each Area but there will not be any individuals to qualifier.

Two riders from each team ride the same test either Prelim 18 (2002) or Novice 24 (**2010**). Horses must have zero BD points to be eligible for the Prelim 18 test, but may have up to 124 BD points for the Novice test. Downgrading of horses with points is allowed for the Novice test but **not** for the Prelim test. It must be carried out on an individual basis by submitting the form that can be found at the BRC Rule Book web page (http://www.bhs.org.uk/Riding/British_Riding_Clubs/BRC_Rulebook.aspx), to the BRC Office at least 21 days before the Qualifier.

If you would like to be considered for a team place, make sure you have renewed your membership for 2012 and please fill in and return the enclosed form with 2 copies of the horse's Flu Vacc Certificate / Passport **by Friday 9th December**. Then drop an email letting Susie know: susie_pool@btinternet.com. We need to decide by mid December how many teams to enter.

General Team Information

Please remember that your horse needs to have a fully up to date flu certificate/passport, and you will need to have paid your subscriptions. Members must be registered with the BRC Office by the close of Preliminary Entries; 23 days before the Area Qualifier.

There are some restrictions in the eligibility of horses and riders for the various competitions. If you wish to be considered for a place in any of the competitions, please fill in and return the relevant team form to Susie Pool, together with two photocopies of the horse's Passport / Flu vacc certificate (one copy for the competition for which you would like to be considered + one extra for Susie).

Please make sure you copy every section of the certificate – ie the name & address of the owner, the horse's name, diagram, description & dates of all primary and subsequent annual vaccinations.

The team application forms give details of the latest date for them to be returned.

ONCE YOU HAVE RETURNED YOUR FORM PLEASE LET SUSIE KNOW IMMEDIATELY IF YOU ARE NO LONGER AVAILABLE. The team competitions cost the Club a lot of money, which we do not want to waste.

The team selection policy is as follows:

On the basis of the response to the team forms, a decision is made about how many teams to enter. Details of how many teams and individuals we want to enter are sent, **with an entry fee**, to British Riding Clubs (3-4 weeks before the competition).

Anyone applying for team places will be notified if their application has been successful.

Entries detailing who is in which team is sent to the Area Competition Organiser (**with another entry fee**) about 7-10 days before the competition is held.

We ask team members to make a contribution to entry fees to area qualifying competitions, which is £10 for Dressage. The money is to be enclosed with the application form. A refund will only be made in the event of injury / illness to horse or rider which prevents them from participating in the competition.

The Club pays all entry fees and stabling costs for the Championships.

Selection for team places is based on performance at Club competitions or other known events.

It is normally the case that, subject to eligibility, anyone keen to take part will be offered the opportunity to ride for the Club.

The area competitions are great events giving us the opportunity to meet and compete against other clubs in the area and participate in a team environment. We want to encourage any one interested to have a go, but in the event of teams or individuals qualifying for National Championships, we need to know in advance if you are prepared to go the Championships.

There may be many reasons why you can't or don't want to attend the Championships. It will not stop us asking you to represent the Club, but it may just affect who goes in which team.

If you think you would like to have a go but are not sure then ring Susie (01980 671523) for a chat.

Even if you stated on your membership application that you were interested in teams, please fill in and return the team application forms.

PLEASE READ THE FLU VACC RULES SHOWN BELOW AND MAKE SURE YOUR HORSE'S Certificate COMPLIES WITH THE RULES IN EVERY RESPECT.

BRC equine influenza rules are based on the British Horseracing Authority Rules (BHA formerly The Jockey Club Rules).

Susie will check all certificates submitted to her but please remember that it is your responsibility to ensure your horse has a valid certificate that fully complies with the BHA Rules in all respects.

The certificate will have to be presented at all BRC Official Competitions.

Equine Influenza - Valid Certificates – Vaccination procedures

*Each horse must have a valid vaccination certificate, which undeniably relates to that horse, completed, **signed and stamped** on each relevant line by a veterinary surgeon, who is not the owner of the animal.*

It must state that the horse has received the appropriate course of injections against Equine Influenza as follows:

Primary Vaccination: *Two injections, the 2nd between 21 days and 92 days after the 1st.*

First Booster: *An injection between 150 days and 215 days after 2nd primary injection.*

Annual Booster *An injection not more than 1 year after the preceding injection.*

Only the first two injections need to have been given for the horse to compete.

*None of the vaccinations may be given within the **preceding 7 days**, including the day of the competition.*

Annual Boosters may be given on the same date each year, but this is not recommended.

Note: Where Passports are used as the flu' vaccination record, the horse description must be verified by a vet or authorised member of a breed society.

If the passport does not contain the full vaccination history then, to comply with rule above, the flu vaccination certificate must also accompany the pony/horse to all BRC Qualifiers and Championships.

Checking of certificates at BRC competitions is very stringent and the BRC Rulebook says the following:

Full vaccination histories and drawings will be checked at all Area Qualifiers and at all Championships before the pony or horse is allowed to compete, and anyone with an invalid certificate will not be permitted to compete. Any pony/horse that is in a team competition that is disqualified at an Area Qualifier cannot be replaced, the team will have to continue as a team of three, or if already a team of three, will have to compete as individuals only, if there is an individual competition.

Any pony/horse disqualified at an Area Qualifier under this rule will be reported to the BRC Office. If that team qualifies for a Championship then the disqualified pony/horse cannot be replaced with a reserve for that Championship and the team must remain a team of three.

It is worth remembering

There is now a legal requirement for a valid passport to accompany the horse when traveling to any competition.

If you have a free Saturday (or Wednesday) why not try a day out with the RA Hunt?

The RA is a friendly hunt who welcome new members. At the front it's fast and at the back it's an enjoyable hack. The hunt meets on Salisbury Plain, at local manor houses, farms and pubs!

The country is mainly flat and open but sometimes you get a jump. If you fancy a few hedges after Christmas the RA have visiting days with neighbouring hunts, The Tedworth, The Avon Vale and the Wilton. Dress is very simple a plain jacket with a plain stock, light coloured breeches and dark boots.

At the opening meet Beth and her lovely grey Duke took advantage of their BVRC membership for the first time and joined me and others from BVRC out on the plain. It was a stunning day with all riders and horses turned out beautifully.

As a BVRC member you can have 4 days hunting for just £20 per meet. **BARGAIN**

If you would like to join the RA for a day please contact hunt sec (and BVRC member) Ali Wilson 07787 502572 and always remember your BVRC membership card and have £20 ready to pay your cap.

BRC Horse Trial Championships Aston-le-Walls 2011

This year there were three Bourne Valley members representing the club at the Horse Trials National Championships at Aston le Walls in August. The Championships were run in conjunction with the Rural Riders European Championship which produced a few dramas including one horse and rider who jumped over a car after the bit broke on the cross country phase.

Marion Watt rode her young horse, The Minstrel as an individual in the Intermediate Championships whilst Laura Saxon on Irish Magic and Gemma Izod on Tully Bear were part of the Area 17 Team in the Open Championships. For anyone who has not been to the championship before, this competition is run as a full long format 3 day event and is really good fun. On the Friday

was the Vets inspection, Dressage, and walking roads and tracks, steeplechase and cross country. Saturday was time to ride all of the roads and tracks, steeplechase and cross country. Sunday morning starts with a Vets inspection and those who pass all the challenges up to this stage compete in the final showjumping phase on Sunday.

Marion and The Minstrel did a nice dressage test and went clear inside the time on the cross country. After a lovely showjumping round they knocked down the last 2 fences which put them outside the running for an individual place. Laura and Irish Magic had a challenging dressage but jumped a lovely clear xc. Having waited patiently for the Rural Riders showjumping and prize giving to finish they were not too calm in the

showjumping and sadly had 4 fences down. Gemma and Tully Bear had a great dressage score and followed that up with a clear xc. One stop in the showjumping put them just outside the top 10 individually. Both Laura and Gemma's scores counted for the area 17 team which finished 9th.

As always, there was great team spirit at the competition. All three riders had a great time and were very pleased to represent the club once again in the championships. We are looking forward to having Susie back as our Chef d'Equipe next year !

British Riding Clubs Endurance Team Finals

The endurance finals came upon us on the 18th September, at this time of year it is always difficult to decide what the weather will do. Those of us that travelled up the day before and were greeted with thunder storms and flooding car parks; the prospect of covering 33K the next day was less than appealing, however things cleared up over night and we had near perfect conditions on the day – sunny but not too hot and some lovely going. Bedfordshire is certainly blessed with a fabulous network of bridleways.

Our team of 4 consisted of Frances Hall and her lovely Exmoor pony "Arion", Clare Heald and her Connemara x "Annie", Meredith Baker and her Criollo "Miz" and me and my rotund Welsh Cob "Monty". All got off to a good start passing the first vet check, half an hour to tack up then off we went.....

The course was fantastic with little road work and lots of lovely canter stretches, unfortunately we had one casualty on course when Miz lent over like a motor bike going round a corner at a good canter and caught Meredith's knee on a large concrete post. Ouch, she rubbed it a few times and continued on only to notice blood seeping through her jodhpurs shortly after, insisting it didn't hurt she carried on another 10K to the finish line where she was dispatched to the paramedics who discovered she needed her knee stitching and needed to go to hospital. Her mum Sue presented Miz for his final vetting where he finished with a great heart rate and passed before Sue took a trip to hospital. Meredith spent a few hours in casualty before having 8 stitches and leaving on crutches. Hopefully her injuries cleared up in time so as not to interrupt her Fresher's week at Uni!

Clare and Annie also passed the vetting with a fantastic heart rate and a fast time. This was only Clare's second endurance ride and to achieve grade 1 in both rides is a brilliant achievement and a testament to Clare's fittening programme – looks like Annie is ready for the hunting season.

Frances also recorded her normal good result with her tough little Exmoor whose legs had to do twice the work of his longer legged companions to complete the course. I think he was probably the smallest competing but finished the course with typical determined native style.

Monty also bounced around the course and was still jogging at the end when we were trying to walk to get heart rates down, however after a wash off the adrenalin calmed down and he realised that his near fore didn't feel too good and after presenting a brilliant heart rate trotted up lame and was eliminated and became the discard score. Really disappointing for me as I have had him for 11 years and he has always been fantastically sound. 2 weeks later and he is nearly better but will now have a bit of time off to let the problem sort itself out and hopefully we will be back for the spring.

Our end result was 8th place which I think was good for first stab at this, also BVRC posted a personal best as a score as an added bonus. The scores are worked out on a complex formula of ride time against the finishing heart rate.

I believe Endurance UK will be running the competition again next year for any that may be interested.... will keep you posted.

Riding at Badminton, 20th July 2011

In 2010, Rachel Holland & Claire Cook qualified for the Badminton Horse Feeds Grass Roots Dressage Championships, held at the world renowned Badminton Park. Unbeknown to us, a Riding Club team competition was also taking place.

When Claire and Gemma Izod qualified for both the Grass Roots (Prelim) & Middle of the Road (Novice) Championships they were keen to enter for the Riding Club team competition and Sandra was selected to join them. We were very excited at the prospect of making the trip in July.

Towards the end of June, a fruitful trip to Sparsholt created even more excitement, when Rachel and I, quite by accident in my case, also qualified for the Championships. Frantic phone calls ensued and a second team entry was secured, Lynn Mead answering the call to make up the numbers.

The Championship classes were to be held in Badminton indoor school whilst the team test were on grass in Badminton Park.

What a daunting prospect. Rachel & Claire had been before so knew what to expect. Rachel's report made it seem scarier by the minute. The indoor school was dark, there were continuous 18inch high dressage boards, and surrounding the arena, flags, artificial trees and the judge was sitting at a desk at 'C'. Oh, and actually there were two judges, the second in the corner near 'H' and spectator seating.

*Viewings on Youtube, including 'Orvis at Badminton Dressage Championships' and 'Badminton Dressage Championships 10th July 2010', subtitled 'How NOT to ride a naughty **spooky** horse round an important dressage test!', did nothing to allay any fears. Far from it, the trepidation mounted by the minute.*

Sandra & Lynn were riding in the warm up class at around 9.30am, so we had a very early start. Plaiting in the dark is not be recommended.

The journey was easy and we made good time. It was surreal driving the horsebox into Badminton village, past the main gates and into the park. We drove along an avenue of trees and parked near the entrance to the warm up area and immaculate grass arenas. It took a while to get our bearings. A realisation dawned. We had parked in front of Huntsmans Close, within sight of the Quarry and the famous lake.

There was time to explore and locate the indoor school. We walked back down the road towards the Badminton stables, past the workers' cottages, all built in wonderful Cotswold stone. We found the indoor school in a courtyard, filled with marquees, gazebos, scoring and catering wagons. Inside, the school was equally as scary as I had feared. I wasn't prepared for how gloomy it was, or the loud speaker system which announced each competitor before and after their tests.

Whilst there we saw Rachel and Clyde do a lovely test. We were hopeful for her but realistic as there were over forty competitors in the class. Such was the distance from the parking, a relay of buggies transported people to and fro, so we hitched a lift back to the lorry park.

I took the opportunity to lead Diva down to the indoor school courtyard and accustom her to the surroundings, something which paid off later in the day. Only then did I realise that, because the ground sloped, the entrance to the indoor school was via a 10 foot high ramp. Would I even get into the school to do my test??

Meanwhile Sandra and Lynn took part in the warm up class on the grass. Sandra and Timmy did a very proficient test and finished fifth. Lynn and Thomas understandably showed their

inexperience and Thomas was a bit spooky. Gemma and Claire went off to do their Grass Roots test in the indoor school. As I started warming up, it was announced that the classes were running about 10 minutes late. With a bit of adjustment I timed my arrival for my test, only to find an additional 10 minute delay. I was third to go in my class, but the previous one hadn't even finished. I returned to the warm up area but was nervous about missing my slot, so again represented myself back at the indoor school. Not much progress had been made and there was still a delay. I tried to keep moving around the courtyard so that Diva wouldn't go completely off the boil. Eventually my turn came. At this point I hadn't been out of walk for over 30 minutes.

With Sandra's assistance we walked up the ramp and with a well timed flick with the whip, bounded into the school. I needed to remember that under Championship rules whips are not permitted, so dropped mine by the entrance. Diva was fine with the hazards until she spotted the two judges and writers and refused to go anywhere near them. Adopting the 'Robert technique' we did a small trot circle and leg yielded towards them, hoping Diva wouldn't notice. The second attempt got her even nearer to the edge of the arena. Another 20 minutes would have sorted the problem, but unfortunately the bell rang for me to start.

At this point I hadn't actually been all the way around the arena. Taking a deep breath, we trotted smartly to A and started the test. We made it to G before having to cut the corner to proceed to the next movement. The following two movements were fine as they were away from the judge. Medium trot across diagonal proved problematic as a spectator appeared through the door in front of us. We managed to get to C for the next 20m circle although it was an odd shape as the judge near H needed to be avoided. After that the remainder of the test was without any dramas. It helped that the canter circle at C was 15m and didn't go right to the sides. I was very pleased with our halt at A too. All in all it was quite an acceptable test. We have done many worse when scary things have caused a much more dramatic reaction from Diva. My final averaged score at 60% left me near the bottom of the 40+ competitors, and as many found, there was a 5% discrepancy between the judges marks. Disregarding the 4's, I looked to the positives, the halt at 'A' was rewarded with 8's from both judges.

There was no time to ponder the 'what ifs'. It was straight onto the Riding Club team competition. Each team member was to ride Prelim 10. Eligibility for team places was unrestricted and there was some very smart horses with plenty of BD points. The twenty four teams were divided into two sections, with our two teams in different sections so not directly competing against one another. Team members followed each other into the arena, so were able to warm up together and watch each others tests. Rachel, Gemma and Claire lived up to expectation and scored well. Lynn & Thomas improved on their earlier test. In the face of stiff competition Sandra & Timmy's performance was not rated as highly as we had hoped and the judge certainly didn't appreciate the finer points of Diva's test, even though on this occasion she didn't put a foot wrong. Gemma(4th) & Rachel(10th) were well placed in the Grass Roots class with Claire(14th) just missing out, as had Gemma(12th) in the Middle of the Road competition. Our teams finished sixth and seventh which was very creditable. A presentation from the Duchess of Beaufort rounded off the day nicely. We were amused to find the rosettes incorrectly printed with the caption 'Badminton young dressage horse of the future'. We wish!!

Blenheim Palace Horse Trials Riding Club Team Challenge, Thursday 8th September 2011

Team Gemma Izod Tully Bear
 Laura Young Lost Prophet
 Laura Saxon Jack in the Box II
 Marion Watt The Minstrel

The competition was full of surprises. Advertised as a course of approx one metre with 8–10 show jumps including a double and 6-8 efforts over portable and fixed XC fences. The layout was not at all as I had anticipated. The mixture of show jumps and portable cross country fences were all enclosed in a fairly small arena, which also contained several mature trees. Fences were sited all around the trees, often making the approach difficult and it was necessary to jump several at an angle. Sandra & I arrived at about 11am and the competition was in full swing. Even after watching several rounds we were not clear which fence followed which. The course was very complicated. Some of the cross country fences were jumped twice, one in both directions, two were angled acutely, another was followed by a skinny, on a turn. The show jump double was offset and the last fence was wavy planks with a water tray underneath. The course had to be jumped at 375metres/minute, faster than the normal show jumping speed of 325metres/minute and exceeding the time allowed was heavily penalised. Conditions were a bit drizzly and slippery underfoot.

Each competitor, in turn, was announced, many with impressive track records at BE, BSJA or BRC. Sandra and I watched in disbelief. Faults were being racked up like cricket scores. One competitor knocked down every single show jump. Even those leaving the majority of jumps up amassed many time penalties. Some ran out at the skinny and fell off. Very few were anywhere near clear.

By lunchtime, twenty of the thirty five teams had jumped. The leading team, with the best three scores counting and the worst discarded, were on 31½ penalties.

BVRC team was second to jump after the lunch break. Team members jumped one after the other. The instruction was for the whole team to stand at the entrance of the arena awaiting their turn to jump. The preceding team were in all sorts of difficulty. The first team member had a most spectacular fall right beside the entrance. She was shot skyward before her heavy descent that needed medical attention. The second team member also fell off and the third had a narrow escape whilst

running out at the skinny. Not the most confidence giving team to watch. Whilst all this was going on, Marion got bucked off after the practise jump. Gemma gave the team an excellent start with a confident performance, just two fences down and a single time penalty. Laura (Y) followed this with an equally stylish round, again with two fences down and within the time. Laura (S) followed with the talented but exuberant Jack. Lacking recent competition practise, turning quickly proved to be a bit tricky. He left all but one fence up but time was more of an issue with seven penalties. Last but not least came Marion with her inexperienced but promising seven year old. Taking the jumps carefully, we held our breath as one by one they cleared all the fences and only notched up eleven time penalties. Marion admitted afterwards that Minstrel had never seen a water tray.

We agreed that our team had given a very professional, master class, display, one for us all to be proud.

The team leapt into the lead with 28 penalties.

During the afternoon conditions dried up considerably, and later teams also benefited from watching the experiences of those who went before. Little by little we slipped down the leader board with teams accruing 12, 14 and 16 penalties. We maintained fourth place, an excellent result that we could have only dreamed of beforehand. The presentation took place in the main arena, with the first three teams mounted. When the time came we were marched with military precision from the jumping arena to the main arena. As the prize winners were about to enter the arena, the organiser turned to us saying 'mothers could watch from the VIP area'. It may take some time to live that down!

To participate at Blenheim, in the presentation from the Duke of Marlborough, was a memorable experience for everyone. Just to emphasise the fact that we were mixing with the elite, on the way out we stopped the car to let horses cross the road, and were delighted to get an acknowledgement from William Fox-Pitt as he passed in front of us.

Novice Show, Ampert, 11th September 2011

September's Novice Show was a quiet affair and ideal for novice horses and nervous riders. Kim's youngster Dino didn't disappoint and as promised 'bounced' his way from the lorry to the dressage warm up. Despite one enthusiastic moment, his second test was very good and went home with two red rosettes! It was good to see Susie out on her new young horse 'Humphrey' – she rode two lovely tactful tests, ideal for his education. We were pleased to see that nerves didn't get the better of Andrea Meikle – having only had her horse for a few weeks she wasn't sure about coming to ride. But ride she did and went home happy we think. Indeed there were lots of smiles on lots of faces, which makes the whole thing worthwhile. Thanks to the small but vital band of helpers; June Verity, Sarah Wearing, Sue McLean, Jemma Lowe, Kim Redgrave and Brenda Harman.

Following the trend across all equestrian disciplines this year, entries were thin on the ground. We decided to go ahead with a long morning of dressage and hope the promised good weather brought out the show jumpers. And so it proved; Claire McClennan as secretary was kept busy with late entries for the show jumping which brought the event back into break even position. My thanks to all who helped make the day a success, before, during and after the event; especial thanks to the dream team of Vicki de Candole and Ros Stockdale for judging and commenting on the show jumping; Sue Fentiman has some competition!

Last year's event proved to be very popular and was oversubscribed. Even though the date was a week later than last year, and in November, this didn't deter many. Entries filled and overflowed the day before closure, and the fifty plus received on the closing date were turned away. Subsequent entries and phone enquiries were rejected without any prospect of their inclusion. Numbers on the day were restricted to 180 rounds. For safety reasons and in fairness to all, competitors are scheduled strictly at 2 minute intervals, with the last no later than 4pm. There is a temptation to shorten the time between starters, but any slight delay on the course results in a backlog, which cannot be recouped. In our case daylight, or lack of it, was a limiting factor. Despite all expectations and forecasts, the day dawned clear and bright, if not a little chilly. The rain that dogged us on 12th June, stayed away. The course looked amazing and the change of direction gave it a different perspective. The 2'6" fences mirrored their larger brothers rather than looking like an afterthought. The going benefited from plenty of rain in the preceding fortnight, and appeared unaffected by the 400 or so horse who had attended events in the previous month. We were all set for a great day. Things were going swimmingly. The large Novice Pairs class raised some eyebrows, with partners taking turns to refuse fences and both parties not always taking the direct route. The Intermediate class started a bit late and just as we got back on schedule, a horse stumbled on landing over a fence, shot the rider off and kicked her in its attempt to regain its feet. The ambulance was deployed and after assessment, the Wiltshire Air Ambulance was called to transport the casualty to hospital. Luckily, although in a lot of pain, she was not seriously injured. Well enough to dispatch her father to check her horse was okay and to collect her pairs rosette. She was released from hospital the same evening and is recovering well. The resultant delay meant we had no choice but to cancel the last class. The vast majority of Intermediate riders were accommodated, so not too many people left without a ride. At 4pm it appeared that there was still plenty of daylight, but already the low sun was causing shadows, affecting jump visibility and takeoffs. It took a further hour to complete the scoring, results and pack up. At 5pm it was dark. Many thanks to everyone who helped and made it all possible. Thanks goodness it wasn't raining!

Members News

Dunlewey Seimi was put down at home Friday evening.

Parsnip had been lame on and off since Spring 2009.

Initially specialist shoeing helped him, then we turned him away for a year at grass.

Parsnip was brought back into work over six months but fell acutely lame again.

MRI Scanning confirmed Navicular Disease in both front feet and an associated tear in the DDFT tendon of left foot.

Parsnip was a cracking pony, always looking for the next fence. He will be sorely missed by everyone who knew him.

Frances

Group 3 dressage rider looking for a horse to ride

I have unfortunately had to retire my horse in the last month.
I am looking for a horse to ride once/twice a week in the Salisbury area – I don't mind if the horse is old/young experienced/green.
I have ridden since I can remember and have broken in and re-backed many young horses over the years that have gone on to be very successful in both eventing and dressage.
