Dear Members,

The year has started well with two very well supported competitions, both held at Catherston Equestrian Centre, by kind permission of Mr. & Mrs. Loriston-Clarke, also several varied socials. Thank you for the support you have given these various events and please continue to support your Club in our future events.

AREA COMPETITIONS

It is that time of the year again, when we are looking for members who are willing to compete in a team at one of the Area Competitions. We need teams of 4 for : Dressage - Prelim, Novice and Elementary. Riding Test. Show Jumping - Novice 2'9" and Open 3'6". Horse Trials - Novice 2'9" and Open 3'6".

If you are interested, would like more information or ready and willing to have a go, ring Diane Symes on 0980 52272.

DRESSAGE SHOW - 24TH APRIL 1994

I must apologise for the lateness in getting these schedules to you, we have had a minor hic-cup over the venue. Please note new venue, this competition will now take place at LARKHILL. As you will see from the enclosed venue, we are offering classes from Preliminary, and Riding Test through to Elementary, also this year we have decided to attempt a Novice Freestyle Dressage to Music. Please do come along and give any of the tests a try. All dressage tests are the new 1994 tests, anyone who does not have a copy, please contact me.

COMBINED TRAINING SHOW - 15TH MAY 1994

Our annual Combined Training Show will also be run at Larkhill this year. A schedule for this competition is enclosed.

ONE DAY EVENT - 5TH JUNE 1994

Once again the Riding Club will be running the One Day Event in conjunction with the Side Saddle Association, and will have one class for side saddle competitions. There are three other classes this year, ranging from Novice at 2'6" - 2'9" up to Open at 3'3" - 3'6". This will be staged at Larkhill.

Anyone interested in helping (the One Day Event needs a great number of helpers), please contact Lindsay Hills on 0264 772388.

A schedule is enclosed.

AREA 17 ROBINSON TRAINING DAY

Three members took up the offer to go to School Farm, Lockerley for the Area 17 Robinson Health Care Stable Management Training Day. This proved to be a very long but beneficial experience and our congratulations go to all three, Maggie Miller, Ros Sheppard and Ann Smart on passing their Riding Club Stable Management Phase 1. WELL DONE.

QUIZ - 24TH JANUARY

The Annual Quiz attracted 8 teams of 4. This was fiercely contested with 'The Lost Cause' finally winning with an impressive margin of 7 points (equally impressive they knew every bone in the hind and fore legs!!!) from the East Anton Equines. There were the usual cries that the 'Trivia' questions were impossible. Everyone had an entertaining evening.

RESULTS:

1ST	The Lost Cause - Sue McGrath, Maggie Miller, Sam Hart and Ann Sealy	46
2ND	East Anton Equines - Sue and Caroline Stevens, and June Bush	39
3RD	The R.A. Puddle Jumpers - Sue Turner, Sue Peacock, Phil and Dee Hodson	37

LECTURE - DEBORAH LUCAS ON EQUINE NUTRITION

On a very wet evening in February, an intrepid number of B.V.R.C. members and friends turned up at the Red Lion in Clanville for Deborah's very informative talk on Equine Nutrition.

She actually decided that dissecting a horse's intestines on the rather smart carpets of the Red Lion's function room wasn't quite on, much to the delight of Julie Newman who had been volunteered to dispose of said gut afterwards!! We still had plenty to keep us occupied, with excellent slides and so much information, it is impossible to remember it all.

Those with brood mares and youngstock, as well as laminitic ponies had many new and helpful ideas to take away.

Question time could have gone on for hours, but Chairman, Lindsay Hills called a halt after a while to allow Deborah to get home before midnight.
