BOURNE VALLEY RIDING CLUB

NEWLETTER AUGUST 1982

In spite of a lovely sunny morning only three people went on the Pub Ride from Locks Drove on 27th June. Three more members and the riders families joined them for a good ploughmans lunch at The Cricketers, Tangley.

Both the Dressage with Jumping events at Ampert went off well thanks to the generosity of Richard Hale, for allowing us to use his land and jumps free of charge and to the hard work of Shirley Myall and Cathy Hart and all their helpers. The first, on Bank Holiday Monday 31st May was particually well attended - the results were:-

Dressage No. 6

2nd A. Sarsfield Hall	6th Caroline Webber
3rd Mary Ravenscroft & Geof Fairfoul

Class IV

Not so many people competed on the second day on 20th June - perhaps because the two events were held too close together. Never-the-less a handsome profit was made over the two days which has helped the Club funds considerably. Results for 20th June:-

3rd Marty Hoare	6th Shirley Myall

Cathy Hart writes on the Area Competitions:- We entered two teams this year - for the Team Dressage and Equitation Jumping. Our Dressage team went to Landford on June 13th and did very well, being placed 5th out of 13 teams. Lindsay Hills (Summertime Jester) in particular did a super test, Marty Hoare (Vague Story) were not far behind and Pat Sarsfield-Hall's horse would have done a far better test if the sheep had not been watching in the next field!

The Equitation Jumping took place near Cadnam on July 11th and our team competed hors concours due to last minute lameness of one horse. Ann Spencer, Gilly Facer & Lindsay Hills (Who stepped in at the last minute for a "fun" ride) all did good rounds and would have been 5th.

In general, only 9 teams came forward for the Prix Caprilli, for which we did not enter a team due to holidays and a happy glut of ineligible people. Also only 6 teams **entered** the Show Jumping, which was said to be a better course than last years.

We are not entering a Horse Trials team, because, although we could field a very suitable team, no one was understandably, willing to travel all the way to Horsham.

Congratulations to our two teams and I hope they all enjoyed the competitions.

You will by now have had your schedule for the Superstars competition. This is the first time the Bourne Valley have organised this sort of event so do come and support it; even if you only compete in two or three events, come and have a go. The organisers ask that you get your entries in as soon as possible to help them with the planning and timing and in any case not later than TUESDAY 7TH SEPTEMBER. Refreshments will be available on the field.
