NEWSLETTER - SUMMER (PHEW!) 1989

Dear Member,

The Club's Chairman and Secretary have run off to the sun together which gives me the opportunity of producing a totally uncensored newsletter. In their absence, I shall, no doubt, manage to forget all sorts of vital pieces of information, scandal and gossip. However, one important event which even I could not forget was the Area Horse Trials and Unaffiliated One Day Event the Club hosted at Penton on Sunday, 4th June. The day was a great success thanks to the hard-working efficient O.D.E. committee, the various sponsors and the enormous number of people who very kindly helped. Both classes were filled to capacity and I think all the competitors thoroughly enjoyed riding round Sue and Rod Bennett's beautifully built cross country course. The B.V.R.C. team of Sarah Ensor, Sandra Olliver, Brenda Harmon, and Sarah Oldham went really well to win the team event Area 17 by a convincing margin and so go on to the Championship at Everdon on 20th August. Many congratulations to all four members for putting up such a good performance.

The Club co-hosted with Danebury and Woodhay Riding Clubs, The Charity Show Jumping which took place at Faccombe on Sunday, 21st May. Although the number of entries were rather disappointing, competitors and spectators alike enjoyed the friendly and informal atmosphere. Brenda Harmon won the Top Score Competition for Help The Aged and so goes on to the Bath & West Summer Show in July for the Regional Final. If she gains success there, her next stop will be Olympia at Christmas! A sum of £54 was sent to Help The Aged, plus all sponsorship money from individual riders. Well done to those who collected so much - Brenda, Sandra, Elaine Elderton, Melissa McKee and Jo King to name a few. The rest of the proceeds from the day's jumping (£88) went to the Leukaemia Care Society.

Brenda, Sandra, Elaine Elderton and Liz White represented the Club in the Area Show Jumping which took place on 11th June at Stocklands. The team went very well with both Brenda and Sandra jumping double clears and Liz and Elaine producing clears in the second round to finish 5th overall.

If any new members are interested in representing the Club in the Area Dressage competition which will take place near Blandford on 16th July, please contact Elizabeth Peerless (Tel: Winchester 881400).

There will be a cross country schooling session in the evening at Penton on 20th July. Those interested please ring Sue Bennett direct (Weyhill 2341). The price is £5 per person per session.

A cross country schooling session has also been arranged with Shena Kozuba-Kozubaska

at Wylze on 27th July. The cost is £12 per horse and numbers will be limited. If you would like to come please fill in the form enclosed with this Newsletter and return it to me with your cheque as soon as possible.

The Riding Club Horse Competition is to be held in August but the exact date and venue is not yet confirmed. The competition comprises a dressage test and/or show class and is an ideal first outing for novice horses/riders. The organiser is Sandra Olliver so please telephone Sandra on Weyhill 2746 for further details.

Marty Johnson.
