NEWSLETTER JUNE 1990

Dear members,

It's been a time of great activity and achievement in the Bourne Valley R.C. lately and you'll find a lot of results to read through at the end of the Newsletter. It has been especially good to see the high proportion of Bourne Valley members competing at ALL levels, a great improvement so well done everyone.

Dressage at Leckford Hutt.....

The first outdoor competition of the year took place at this super new venue, a good level field at the side of a very pleasant Inn with main road access, what more could anyone ask for. Bourne Valley members did extremely well and although the results look as if no one else took part, there were a lot of competitors from outside the Club. Well done Elaine Elderton and her army of helpers, a super day.

The Charity Show Jumping at Faccombe...

A well supported event which was pleasantly cooler for competitors, but a little chilly for those of us not taking part on horseback. So, a special thank you to all those who gave their time and support, especially Secretaries Gail and Mary Perren and Carole Glover who took over the role of commentator at the last minute with such success that she was head hunted for the Penton Horse Trials the following weekend !!!!! Look out David Vine and Lucinda Green someone's got their eye on your job.. The Top Score element of the Show was won by Sarah Ensor and Basil, the combination qualify for the Ardingly Show in August and the chance of going to Olympia. ( Full results overleaf ). The proceeds from the Show, a total of £250, have been donated to Help the Aged and Leukeamia Research.

Dressage & Prix Caprilli Evening....

Organised by Carole Glover at Castle Farm on the 16th May, again, a well supported evening which was enjoyed by all those taking part. It was so good to see so many first - timers out, both horses and riders. The idea of competing and then having the Judge explain their marks and reasons proved very helpful to everyone. Our thanks to Nelson and Carole for organising and providing the venue.

One Day Event at Bluebell Farm....

Well, we've all been moaning about the lack of rain, hard ground etc... but did it really have to change on Sunday 3rd June?? Many, Many Thanks to all the fence judges, stewards and helpers who got soaked to the skin and very cold to ensure the smooth running of the Event. Once again, eventings popularity showed with over 100 competitors enjoying Sue & Rods super course at Bluebell Farm, Penton. A special mention to June Bush and her team of scorers, Ian Walker and his team of starters the Show jumping judge Tanis Downs and commentator Tom

Olliver. Again, a lot of very respectable results for Bourne Valley members for the benefit of those watching the Be Fair Cup Competition I have added the B.V. placings to all the results at the end of the newsletter.

#### Area Competitions.....

We are now into the Club Team Qualifiers with the Horse Trials Organised by the Purbeck & Dist. taking place last weekend. A good result for Bourne Valley, our team of Elaine Elderton on Ice Cold In Alex, Liz White on Pipers Revenge, Susie McGrath on Fleetwood Mac and a last minute replacement, Sue McGrath on Brandy Sour were placed 4th with Susie McGrath and Sue McGrath qualifying as individuals for the championships in August. Well done all of you, a good result on a day spoilt for all of us by the tragic accident sustained by Pat Sarsfield - Hall and Double Brandy. Our sympathy and wishes for a speedy recovery Pat, we all hope to see you soon.

THIS IS PERHAPS A SUITABLE TIME TO MENTION THE CURRENT DRIVE TO PREVENT THE ABOLITION OF THE CLAUSE IN THE 1981 ANIMAL HEALTH ACT WHICH PREVENTS THE EXPORT OF LIVE ANIMALS UNDER A CERTAIN VALUE. This Act may vanish under new European Community Rules when the Open Market is established in 1992. I have enclosed a suitable letter and if you feel strongly enough about this, perhaps you would care to copy it out freehand, or send it with your name address etc added, to your local M.P., hopefully our efforts on this matter may enjoy some reward.

On a lighter note, the next competition organised is the Combined Training at Bluebell Farm on the 30th June. Your organiser for this event is Anne Sealey ( Andover 781571 ). There will be a Clear Round jumping first and as all the jumping will take place in Sue Bennett's new outdoor arena there should be no worries about the state of the ground to concern anyone. Schedules have already been sent for this event so those who have not yet entered dig those entry forms out and get them off to Anne as quickly as possible. The Riding Club Horse competition will take place on Saturday 25th August and schedules will follow with the next Newsletter.

There is still time to contact Carole Glover, our Team organiser, if you are interested in taking part in any of the following events. Show Jumping...3'.6", Novice Show Jumping...2'.9" to 3'.0", Dressage or Prix Caprilli. There will be team training sessions held at Bluebell Farm for all those interested to come along to, so don't be afraid to put your name forward.

FOR SALE.....16hh Dark Bay T.B.Filly, 3 year old by Norwick. Has raced once then turned away to mature since last Autumn. She is good natured, easy to handle and moves very well. Should do well in any sphere. For more information please contact Sue McGrath on 0264 87301 daytime or 87316 evenings.

WANTED.....A CARAVAN suitable for Club use in a variety of applications. Need not be immaculate but must be roadworthy and weather proof. If you have anything that you feel may fit the description then please contact David McGrath on 0264 87316 evenings.
