#### **RIDING CLUBS NATIONAL CHAMPIONSHIPS, MALVERN - 12TH SEPTEMBER 1993**

Two teams set off at 4.00am in darkness heading for Malvern with Blackthorne, Black Magic, Piper's Revenge, Scrumpy, Tyson and Fuzzi on board and riders Gail Perren, Lyn Bruce, Liz White, Carole Perren, last minute replacement, Liz Derbyshire and Lindsay Kemble, all set to contest the Riding Test and Dressage Championships.

Everyone had dismissed Gail's anxious enquiry 'What if I'm on at 9am?' But with the full force of Murphys Law, she was drawn to ride at 9.00am and 9.13am, hence our early departure. We hastily shuffled the riding order, so that Lyn was to be the trail blazer and Gail not in two places at once.

Riding Clubs from all over Great Britain converged on Malvern to compete in national finals ranging from team Show Jumping, Equitation Jumping, Veteran Horse/Pony to Team Riding Test, Team Dressage, Individual Medium Dressage, pairs Dressage and 6 member Rural Riders Teams.

Lyn had travelled from Sevenoaks in order to take her team places and Black Magic was suffering from a stomach bug. Liz and Tyson had been given one weeks notice of their substitution making this their fourth ever test.

Conditions were far from conducive to producing good dressage, to get from the lorry park to the dressage arenas entailed passage between two Show Jumping rings and the stable area. Limited warming up areas were further reduced for Liz White who entangled with two 6 string rural rider teams and two blind riders and helpers. A Kit Car exhibition complete with fun fair was clearly audible from the arenas.

The torrential rain held off until our last rider completed her test at 12.15pm. Although we had cursed our early times, we were thankful not to have ridden in the rain.

A lengthy wait ensued, sheltering in the Perrens lorry with numerous cups of tea consumed and results eagerly awaited. Several sorties were undertaken to the scoreboard with little success due to a problem with the scorers which meant no scores appeared until 3.30pm. Our Riding Test scores looked promising but we had an anxious 1 hour wait. The presentation revealed that our team was in fifth place and individual arena awards to Gail (4th) and Carole (5th). By this time dressage scores had materialised revealing that we may also receive awards for this. Our hopes were surpassed by a third place for the team, with Liz White (6th), and Gail (2nd) just missing becoming overall champion by one mark.

These outstanding results are the best ever in the clubs history. To win a rosette at the National Championships is a major achievement, to bring away twelve is exceptional, Gail had nearly a full set with 2nd, 3rd, 4th and 5th. Congratulations to all concerned.

Many Thanks to Liz White who has the unenviable task of selecting teams, making entries and getting everyone in the right place and the right time, for all team competitions throughout the summer.

#### HUNTER TRIALS, LARKHILL - 19TH SEPTEMBER 1993

The hunter trial was held on 19th September at Larkhill in very untypical Larkhill weather (some people actually took off their jumpers!) Competitors had a very enjoyable ride in perfect weather and ground conditions over an inviting but challenging course, which was beautifully constructed. Limited entries meant combining classes 2 and 3, this made little difference to the courses that they jumped but it was disappointing that more did not take advantage of the course and conditions.

## SUPERSTARS COMPETITION - 26TH SEPTEMBER 1993

The Club held their second Superstars Competition of recent years on 26th September, at Richard Hale's Aport Riding Centre. 26 competitors entered, mostly undertaking 6 events each. Riding events (roads and tracks, riding test, cross country, show jumping and gymkhana) took place in the morning, with silly games (bike riding, horseshoe throwing, football, running and obstacle course) in the afternoon. Luckily for everyone, it stayed dry all day.

It was good to see so many club members taking part and everyone enjoyed themselves. Organisation of the day was made easy by having full use of Richard's facilities, for which the Club are most appreciative.

Congratulations to Chance for becoming Superhorse for the second year running, and Carole Perren matching his success, showing her allround talents (on & off the horse) by becoming this years Superstar.
