

BOURNE VALLEY RIDING CLUB

Newsletter September 1981

Area O.D.E. Petersfield. - There were 27 teams competing and we were able to enter one team, they were - Shirley Myall, Sandra Olliver, Ann Spencer & Claire Smallman. Claire & Sandra both had clear rounds on the cross country, unfortunately Ann & Shirley had very bad luck with their horses and were eliminated, but never the less it was a lovely day and it was nice to see our club supported by having a team at all, so thanks to the four who worked hard on their horses to get there.

Novice O.D.E. Kestrels. - This event went off very well and was also financially successful, I will make no further comment myself and leave you to read the report/thank you letter from the organising secretary Cathy Hart. We entered one team in the O.D.E. and they were second, well done to the following:- Shirley Myall, Marty Hoare, Claire Smallman & Liz White, a special well done to Liz as she won one of the sections as well!

Instruction

There was very little response for this following the last newsletter, I am wondering if any of you at all are interested or not. If there is anyone at all who would like any, please let me know soon or bring up the matter at the A.G.M., after which we may as well not bother to ask again.

Trip to Olympia.

Yet again I am asking if there is anyone anywhere interested in a Coach Trip to the Olympia Christmas Show. Please let me know at the A.G.M. if you are.

As the retiring secretary, I would just like to say that I hope you have been satisfied with the service and enjoyed the newsletters over the past two years.

Yours sincerely,

Jill Vallis.
