BOURNE VALLEY RIDING CLUB
NEWSLETTER SEPTEMBER 1982

I think every-one has voted our first Superstars day a great success. There were some 38 entries - half of which were Bourne Valley members. All the events were well filled and most people won at least a few points; the special rosettes and prizes were much appreciated. Everyone seemed to enjoy competing in the, for us, somewhat unusual competitions; certainly the spectators got considerable amusement from watching others compete! Our thanks to the sub-committee of Peter and Lindsay Hills, Jacquie Rigby and Caroline Stevens who organised and ran the whole thing and worked extremely hard beforehand and during the day to make every thing run so smoothly. Again we must thank Richard Hale at Amport Riding School for so generously allowing us the use of his land and jumps and thanks too to the army of people who helped on the day.

The ALBETROS Challenge Trophy was awarded to Superstar Mrs. Rosemary McMullen by the Chairman; the winner also collected the bottle of champagne presented by June Bush and Superhorse Shannon Queen was awarded the bag of oats and bale of hay presented by Rod and Sue Bennett.
