

BOURNE VALLEY RIDING CLUB
NEWSLETTER - SEPTEMBER 1988.

Dear Member,

Summer seems to have come and gone with such lightning speed, even my overworked Puffa jacket failed to get it's usual well earned holiday, however despite the semi arctic conditions the Club has had a busy couple of months.

Our dressage team duly made the long trip to Stonleigh for the Championships which took place on the only really warm day we have had this year. Needless to say, none of the horses enjoyed the heat. Dawn Williams Ramasees decided it was far too much to expect a chap to perform in such a heatwave, he managed to lame himself by putting his foot down a convenient hole, which was most disappointing for his jockey. Hannah Good and Boris scored 110 in the Prelim 1 to be placed a creditable 7th in their arena and Mandy Vigg riding Spider were awarded 102 in the Novice 15.

Sadly the one day event team failed to get to the Championships at all as Elizabeth Peerless's horse Arena went lame and Cindy Simms was still suffering the ill effects following an earlier fall. Fortunately Sandra Olliver and Elaine Elderton were allowed to compete as individuals. Sandra felt the course was a little easier than the previous year and was very pleased with Flip's performance as they finished approximately 7th in their section. Elaine's horse Ice Cold In Alex was quite convinced that gremlins were lurking in the open ditch towards the end of the course and unfortunately decided he had done enough for the day. Still we were very glad that despite all the hiccups and dramas the Club was represented at the Championship after doing so well at the Area event.

The Riding Club Horse Competition on 27th August went very well although the number of entrants was slightly disappointing. Those who did take part seemed to thoroughly enjoy the opportunity of competing in this 'fun' event which is especially designed to encourage members who are perhaps rather less ambitious. Our thanks must go to Anne Sealey for organising the whole proceedings and to Sue Bennett and Jill Vallis for judging the dressage and riding club horse competition. We are also most grateful to the Glovers for kindly allowing us to stage the event at Castle Farm. Carole even managed to find time in her hectic schedule of W.I. activities to bake a magnificent cake for the occasion. Incidentally, there are a couple of vacancies for liveries at Castle Farm, so if you are interested, please contact Carole on Andover 781991.
