## NEWSLETTER SEPTEMBER 2000

It always happens at this time of year, we are overrun by our own and Area 17 Inter Club Qualifying competitions with the result that the Newsletter never gets done. The events came fortnightly from the One Day event in May, until the end of July, when they occupied four consecutive weekends. I am conscious of keeping members informed about what is going on, but not quite able to come up with the goods quickly enough - it is a problem when work interferes with pleasure! Of course, the greater the delay, the larger the final product, and the longer the preparation time.

Anyway, we are back in action with details of past events, and our autumn program, action packed as normal.

LKH.

### **Hunter Trial at Larkhill on Sunday 29<sup>th</sup> October at 9.30am.**

Schedules for this event were sent out earlier, in August. This year, we are hosting Area 17 Open Hunter Trials Qualifier, and for this reason the Open Class will be the first of the day. There are plenty of classes for non team participants, ranging from 2'3" to 3'6". So **PLEASE** get your entries in early. If for any reason you are not willing or able to ride please come and help. Fence judges are always in short supply so volunteers are very welcome. Fences need to be manned from 9.30am to 4pm. We usually allocate people in two stints so helpers can opt for morning or afternoon, but even if you can only manage a couple of hours this would be very useful. If you haven't already received a fence judge letter and can help, please fill in the attached reply slip, or phone Maureen Burford (01264) 781499 / Carol Tennick (01264) 391378 (fence judge co-ordinators) or Lindsay Hills (01264) 772388 (organiser) to offer your services.

### **Hunter Trial Course Walk with Diana Burgess on Saturday 28<sup>th</sup> October.**

Diana will be conducting two course walking rounds at Larkhill on Saturday 28<sup>th</sup> October. Come and find out from an expert how it should be done. Even if you are not riding the following day, come and get some tips on approach to fences, how to ride a corner, drop, or coffin. Maximise your chances of jumping a clear round.

Meet at the Cross Country Start Box at the appropriate time.

Open Course 2.30pm

Novice/Intermediate Course 3.30pm

Cost £3 members £4 non-members (numbers permitting) Ring Lindsay if you need more information (01264 772388).

### **Area 17 Hunter Novice & Open Hunter Trials Team Qualifier.**

Area 17 have got organised this year and are holding qualifying competitions for the National RC Hunter Trials Championships which are scheduled for April 2001. The Novice and Open qualifiers are to be held locally on consecutive weekends at the end of October. The Novice competition will be run on Sunday 22<sup>nd</sup> October at Dene Farm, Nether Wallop, and we are hosting the Open qualifier with our own Hunter Trial on the 29<sup>th</sup> October.

Enclosed with this newsletter is an application form for team places. If you wish to be considered, please fill in the form and return it to Sam Mawer, by the **20<sup>th</sup> September**, together with a photocopy of the horse's Flu Vacc certificate. The photocopy should be legible and include all details (i.e. front, back, middle, sides and all other parts of the form.).

There are two main requirements for members wishing to take part in the above competitions.

1. The horse must be owned by a club member or a documented long term lease agreement be in existence.
2. The horse must have valid up to date Flu Vaccination Certificate which must comply in every respect to the rules shown below.

There is a rule in place prohibiting practising over any part of the course during the three week prior to the competitions.

For anyone wishing to do our Open Qualifier, they will not be able to enter the equivalent height course at the RA & Army Hunter Trial at Larkhill on October 15<sup>th</sup>.

The team selection policy is as follows:

On the basis of the response of the Team forms, a decision is made about how many teams are entered. Selection team for places is based on performance at club competitions or other known events.

It is normally the case that, subject to eligibility, anyone keen to take part will be offered a team place.

If you think you would like to have a go but are not sure then ring Sam for a chat. Otherwise, even if you stated on your membership application that you were interested in teams, please fill in and return your form.

The club pays all Entry Fees to Area competitions.

### **Equine Influenza - Valid Certificates – Vaccination procedures**

Each horse must have a valid vaccination certificate, which undeniably relates to that horse, completed, **signed and stamped** on each line by a veterinary surgeon, who is not the owner of the animal. It must state that the horse has two injections for primary vaccination against Equine Influenza given no less than 21 days and no more than 92 days apart. (Only these two injections need to have been given for the horse to compete). In addition a first booster injection must be given no less than 150 days and no more than 215 days after the second injection of the primary vaccination. Subsequently, booster injections must be given at intervals of not more than 1 year apart, commencing after the first booster injection. None of these injection must have been given within the preceding 7 days, including the day of the competition or entry into competition stables.

Horses foaled before 1<sup>st</sup> January 1980 need not have had the first booster injection (no less 150 days and no more than 215 days) after the second injection of the primary vaccination – but must have had an annual booster (given within 12 months) thereafter.

## **BVRC COMPETITION WRITE-UPS**

### **Area 17 Novice and Open Team Horse Trials Qualifiers at Rockbourne, 18<sup>th</sup> June 2000**

We managed to enter 3 Novice and 2 Open Teams for this event. However, due to various mishaps, on the day the Open entrants were reduced to 1 team and 1 individual.

<b>Novice:</b>	Jane Mann	Domino	27,0,0,0	27	Carole Perren	Charlie	23,5,0,14	42
	Carolyn Carter	Philamena	31,5,0,3	39	Louise du Boulay	Ajknapp	29,3,0,0	43
	Miranda Clem	Hilton	26,10,20,12	68	Diana Burgess	Desert Way	21,5,0,0	26
	Diana Burgess	Lamp Light	25,5,0,3	33	Jessica Kingsley-Jones	Golddust	30,41,0,0	91
	Kay Bugden	Lady Guinevere	36,5,0,0	41				
	Suzanne Cawley	General	30,5,20,3	58				
	Veronica Wallace	Rhys	34,5,0,7	46				
	Hilary Myall	Gabbie	35,10,0,1	46				
<b>Open:</b>	Jill Richardson	Flight Time	30,13,20,12	75				
	Lynn Elliott	Wallace	31,0,0,0	31				
	Jessica Kingsley-Jones	Just Nutmeg	29,0,0,5	34				
	Diana Burgess	Alka Holly	28,5,20,12	65				

Individual: Angus Mann MBE sorry no results available

The day was an absolute scorcher - those thinking they didn't need suntan lotion paying for it in a big way! All our competitors did a wonderful job and thoroughly enjoyed themselves with the marvellous result of one of our Novice teams of Jane Mann, Carolyn Carter, Miranda Clem and Diana Burgess coming 3<sup>rd</sup> and qualifying for the National Championships. Jane Mann, first to go in her arena at 9am, won her section, and Diana with Desert Way was second in hers. The Open team finished in second place, with Lynn Elliott and Jessica Kingsley-Jones, 5<sup>th</sup> and 6<sup>th</sup> individually.

Well done to all concerned. With fifteen riders and seventeen horses all completing the course with very few penalties this was an outstanding performance. Probably this was a record representation for our club at an Area Event.

### **Area 17 Novice and Open Team Show Jumping Qualifiers at Langford Farm, Nr Soton, 30<sup>th</sup> July 2000**

We received a lot of interest for this qualifier too, enabling us to enter 2 Novice and 2 Open teams.

<b>Novice:</b>	Carole Perren	Storm	Suzanne Cawley	General
	Jess Kingsley-Jones	Golddust	Gill Young	Heathfied Teal
	Kay Bugden	Lady Guinevere	Veronica Wallace	Rhys
	Gail Perren	Oliver	Hilary Myall	Gabbie
<b>Open:</b>	Diana Burgess	Alka Holly	Lynn Elliott	Wallace
	Susie Clarke	Hot Socks	Jane Ward	
	Karen Fieldsend	Hullabaloo	Amy Cooper	Madison Square
			Diana Burgess	Ballee Betty

Yet again everyone jumped out of their skin, and enjoyed themselves. Five of the eight teams members jumped clear in the first round of the Novice competition. Luckily four were from the same team, leaving them as one of five of the original fourteen on a zero score. Poor Veronica was nearly jumped off over one fence, with the result that she missed out the next fence. This was a great shame, as due to some "dubious" rules she was unable to jump in the second round. The second round sorted the men from the boys. A clear winner, with a zero team score, were the New Forest Pony Enthusiasts. Thirteen individual double clears which included Carole & Jessica, jumped off for individual honours. Carole had it in the bag until tipping the very last rail in the jump off, but still finished 5<sup>th</sup> individually. One of our teams, on a final score of 8 faults, also finished in 5<sup>th</sup> place.

Unfortunately, Miranda's horse went lame on the morning of the competition, leaving one Open team with 3 members. Consistent jumping over two large tracks provided a hotly contested competition. Karen's mare, brought into the team at the last minute, was having an off day and knocked a couple of fences in each round. The others all finished just faulting once in each round. Lynn performed and immaculate clear in the second round only to discover she had started before the bell. It can happen to anyone, as Andrew Davis discovered when jumping in a Nations Cup team for Great Britain. The final result was very close with the New Forest finishing on 7 1/4 faults and us on 8 faults. It's a long time since we have had an Open team in contention. Three of the New Forest members proclaimed it was the biggest track they had ever jumped. They may be in for a shock at the Championships! Four double clears jumped off for individual places, with Diana jumping into 3<sup>rd</sup> place with Bettie. Holly also gave Diana 5<sup>th</sup> place with her single stop in the first round and clear second round.

### **Area 17 Team Dressage Qualifier Nr Fordingbridge, 6<sup>th</sup> August 2000**

Again there was a lot of interest in this competition. In each team, one rider does a Prelim test, 2 ride Novice Tests and the 4<sup>th</sup> rider performs an Elementary test. The majority of interest was for the Prelim and maybe the Novice test, but very few willing or able to do the Elementary test. As a consequence we decided to enter 2 Dressage teams and a Riding Test Team.

<b>Dressage:</b>	Prelim	Jane Randall	Bally Brock	Alison Harrington	O So Sweet
	Novice	Gail Perren	Oliver	John Stoker	The Guvnor
	Novice	Roseanne Fitzgerald	Magic Moment	Miranda Clem	Hilton
	Elem	Liz Potter	Folkin Philomel	Diana Burgess	Ballee Betty
	Medium	Liz Potter	Folkin Philomel		
<b>Riding Test:</b>	RT4	Alison Harrington	O So Sweet		
	RT4	Alison Underhill	Jesters Jokebox		
	RT3	Gail Perren	Oliver		
	RT3	Miranda Clem	Hilton		

We were blessed again with good weather and had a very long but enjoyable day! All our horses produced lovely tests, and in the morning non qualifying classes all our riders seemed to win or be placed in everything. However we weren't so lucky in the team tests. Gail was placed 5<sup>th</sup> in her arena, and Roseanne, and Liz each 7<sup>th</sup> and just out of the ribbons in theirs. The cumulative performances were good enough to give the team a well deserved 5<sup>th</sup> place from 24 teams. In the Riding Test competition, Alison Underhill & Gail Perren won in their respective arenas. After a considerable delay we found that their success had also put the team in first and qualifying place! What a great end to the day.

Sam Mawer.

### **Riding Test Team**

Somewhere along the line, between revelling in the Riding Test Team's success, and getting the Novice Horse Trials team organised with stabling, food and transport for the Championships, a thought occurred to me. I had forgotten to ask Alison Underhill if she had any Riding Qualifications, and hence to check her eligibility for the competition. As a new member, Alison had constantly requested a team application form, which never materialised (my fault). Knowing that she was keen, I invited her to take part in the RT team. Alison attained a fantastic score of 76.5% and won in her arena, helping the team to qualify.

My conscience got the better of me, and when Alison phoned me after Offchurch, I enquired about her qualifications. To my horror, I discovered she was indeed over qualified for the test she rode. She would have been eligible for the more advanced test, but not the one for which she had been entered. Once I had owned up, our invitation to the Championships was rescinded. Gail qualified in her own right and goes to the Championships on 10<sup>th</sup> September, as an individual.

I apologise to Alison for putting her in this position, and to the rest of the team for raising their hopes only to dash them at a later date.

LKH.

## National Riding Club Horse Trials Championships at Offchurch Bury, 11<sup>th</sup> – 13<sup>th</sup> August 2000

### Extract from Jerry's Notebook (by Jerry Bugden)

Unless you are competing at a high level, normally these events (dressage, show jumping and cross country) are held only on one day. However, a special centenary celebration, the National Riding Clubs' organisers and sponsors on this occasion (South Essex Insurance Brokers) decided to plan the Open event over three days and the Novice event over two days. For the Novice event, day one being the dressage and show jumping (with a walk of the cross-course in the evening). Day two would involve roads and tracks, steeplechase, more roads and tracks followed by the cross country course consisting of 19 various jumps (two through water).

Horse and rider have to be very fit - yours truly was tired after just cycling the roads and tracks (two sections totalling approximately 7 miles - with no jumps, just tracks, paths, some bridleways and fields, having to be ridden within at a certain time). In the Open class the steeplechase is like small chase fences, but in the Novice class this part of day two consists of two circuits of three hurdles that needed to be jumped in 2 minutes or under. Many of the horses, including our own, had not come up against these types of obstacles laid out in this manner. All the horses I watched appeared to love this element (some of them too much, 'General' nearly bolted after one circuit, getting fairly close to an early bath in the adjacent lake.) The majority of horses taking part in the 'steeplechase' section really assisted their riders by measuring out the final strides so that they were not "short" or "long" on take off. The whole weekend was real eye-opener.

### Report by Kay Bugden

One week before the Horse Trials Championships I had a phone call from Lindsay asking if I would be in the BV Novice Team as Jane Mann was unable to go, so could I take her place? Suzanne Cawley also had a similar phone whilst sunning herself on a beach in Ibiza. This time to replace Carolyn Carter whose horse was unfit.

The team consisted of:-

Kay Bugden	Lady Guinevere
Suzanne Cawley	General
Miranda Clem	Hilton
Diana Burgess	Lamp Light

I was very excited about going but also very nervous as Gwinnie and I had never been to a Championships like this before. However, I arranged transport with Miranda, and quickly started to learn and practice the dressage test. We planned to depart on Friday 10<sup>th</sup> Aug pm. Lindsay had booked stables for the horses and I had booked a B&B for Friday & Saturday nights.

On Friday morning I had a phone call from Miranda saying that unfortunately Hilton had gone lame overnight (a recurrence of his previous lameness a fortnight earlier) and so now the team was only three members. I then started to panic ..... Eventually transport was organised and I arrived in Offchurch on Friday at about 9pm, Suzanne and Diana arrived early next morning.

On Saturday, as I was plaiting Gwinnie, Lindsay arrived, and as I was number 1 in our team my dressage was quite early. After the dressage we had the Show Jumping, everything was planned and organised very well.

When all three team members had completed their Dressage and Show Jumping at about 6pm, we all walked the cross country course together. Diana was a great help and gave us lots of useful tips. We also walked the steeplechase course 'Phase B', which consisted of six fences which had to be ridden at a speed of 500m/min. There was also Roads & Tracks, 'Phase A & C'. My husband, Jerry, and I borrowed bicycles to go around this. I was surprised how far we had to ride and how fast we had to go so as not to receive any time penalties.

Sunday morning I was up early and ready to start. The weather was reasonable, but heavy showers came later in the day. Gwinnie and I had a lovely day and greatly enjoyed the steeplechase and cross country. I was exhausted, but Gwinnie still had lots of energy! All the team helped each other and Lindsay was always close by. It was a great experience for us just to compete in a competition like this. Although as a team we were unplaced, we all received a commemorative Championship rosette to remember the day.

### Report by LKH.

Well done to the three team members who eventually made it to Offchurch. Three performances to be proud of in a strange environment with the added pressure of overnight stays. Good dressage marks of Gwinnie 32, General 26, and Lamp Light (Ellie) 24 gave them a good start. Gwinnie and General show jumped clear, but Ellie's exuberance got the better of her and she had two fences down. The roads & tracks and steeplechase posed no problems aside from General's detour, nearly mowing us down in his extra loop on the steeplechase. The XC too was not a problem for Gwinnie & General. Gwinnie had one stop when surprised by a drop fence with no apparent landing. General jumped round clear, but severe breaking, steering problem deemed it necessary to ride with caution. Both horses found the XC speed too fast for them on this occasion. Ellie, having already crossed water on the roads & tracks and also jumped through a water crossing earlier on the course decided she didn't want to play anymore half way around the course.

Thanks to the team members for their enthusiasm and dedication, particularly to Diana for sharing her experience, and supporting the other team members.

Congratulations go to other club members, who although not representing BVRC on this occasion, had excellent individual results at Offchurch.

Penny Hall	Renegade (Kennet Vale RC)	3 <sup>rd</sup>
Roy Southey	Morello (South Wilts RC)	9 <sup>th</sup>

## Combined Training, Sunday 4<sup>th</sup> June, Knighton Down, Larkhill

Once again this was an extremely popular event – as highlighted already by the amount of entries taken. Unfortunately our entries secretary Carol Tennick was called away to Yorkshire just over a week before the event, but Sandra Groves gallantly took over the entries and the organisation all together. Three out of the four classes were full as far as the dressage was concerned and competitors that were undertaking the event as Combined Training were given times for the Show Jumping. This meant that we were able to catch up during the day (also thanks to some slick course changes in the show jumping arena) and the event finished about 17:10 with just the packing up to do. All in all, it was an excellent event and the weather was good!!!

### **BVRC Dressage, West Woodhav, 2<sup>nd</sup> July 2000**

The people from Shaftesbury who, having enjoyed our combined training, entered for the dressage on the assumption that West Woodhav would be somewhere near Larkhill, were in for rather a shock! Fortunately, they had a successful day, and felt it was worth the travelling. It seems to be a feature of our West Woodhav competitions that the members who live furthest away are the ones who actually turn up. One judge got hopelessly lost, and had to be rescued from Kintbury - thank goodness for mobile phones! The Prelim 2 and Prelim 10 were very well supported, but entries in the two Novice classes were rather disappointing. One competitor in the Medium phoned at close of entries to check whether the class was likely to be cancelled because of lack of support, (apparently the last unaffiliated Medium she entered was cancelled because hers was the only entry), so it was gratifying to have 4 starters, who between them treated spectators to some very impressive work.

Thanks are due to the Hendersons for the use of their beautiful parkland, and to all those who helped on the day and who set up the previous day.

### **BVRC Show Jumping, 16<sup>th</sup> July 2000, Over Wallop by LKH.**

Following on after the successful Clear Round Jumping evening, for which the jumps had been transported, unloaded and set into position, it was hoped that minimum effort would be needed just to change the track for this event. Needless to say, best laid plans ..... After manoeuvring several jumps, left a bit, right a bit and then back to where we started, the course was finally set. Very grand it looked too, with newly purchased wings, poles and fillers in pretty colours (pink & purple, blue & yellow etc), and the inaugural use of the newly acquired wall.

Classes were well, but not over filled, and without the extreme heat of last year, but with very pleasant weather, we had a good days competition. The only hitch was that the caterer had gone 'awol' in the days prior to this and we weren't sure until we arrived on Sunday whether he was going to attend. It was with some relief to find him already in situ when we drove in. Plan B was to ring Sandra, send her to Tesco's for 200 cans, 100 rolls and a buttering knife. Luckily this was not necessary.

Thanks to all who helped set up and run the event on the day.
