AUGUST 91 NEWSLETTER

DEAR MEMBERS,

Due to the nature of our Chairman's job the last few Newsletters have been a little like 'Statements', so the committee has decided to lend a little support.

The informal Evening held at the Leckford Hutt was very poorly supported but those members who did attend received a great deal of help from our three super judges who still turned up. These were Sue Jones for Dressage, Sue McGrath for Prix Caprilli and Chris Moulder for Show Jumping.

The Riding Club Horse Show to have been held at Bluebell Farm received even less support with only three entries! This had to be cancelled. We hope this usually fun event will be better supported at our Combined Training Show on 22nd September, 1991.

Also GOOD LUCK to Angus Gordon at the National Dressage Championship on 8-9-91

COMBINED TRAINING SHOW - 22ND SEPTEMBER 1991

You will see from enclosed schedule, we are holding our annual Combined Training Show at Bluebell Farm. As with all our events we need plenty of unmounted members and friends as helpers, if you think you will be available on the day or even the afternoon before please contact Liz White on 0672 810559.

REMEMBER ALL B.V. MEMBERS WHO HELP WILL RECEIVE POINTS TOWARDS THE NEW CABALLINE HELPERS CUP.

We now have another jewel in our crown with Sue Hassell, whose lessons have proved very popular and constructive to those members who have already attended her lessons earlier this year.

These sessions have been well received in the past, please let this continue. It would be nice to see even more of you taking advantage of this instruction.
